PBCOM <small>PHILIPPINE BANK OF COMMUNICATIONS</small> 菲律賓交通銀行	CORPORATE GOVERNANCE	
	ANNEXES ANNEX C: PERFORMANCE EVALUATION – INDEPENDENT CONTROL FUNCTION	Updated as of July 2022

Rationale

Inputs should be obtained from the members of the Governance Committee (GovCom), Audit Committee (AuditCom), Risk Oversight Committee (ROC) as part of the evaluation of Independent Control Function's (Compliance, Audit, Risk) and the Head of Control Function's (Chief Compliance Officer, Chief Audit Executive, Chief Risk Officer) effectiveness in maintaining an effective relationship with the Board Committee and the basis for initiatives to enhance the function's value to the Bank.

Performance Assessment Policy

The respective Board Committees will assess the performance of the Independent Control function and the Head of Control Function once a year. This will allow the Board Committee members to periodically evaluate the credibility and effectiveness of the function and its leadership. Additional expectations from or guidance to the Control Function should be considered to assist the Group in further improving its services to the Board Committee.

Performance Assessment Process

The first half of the assessment will cover the performance of the Control Function and the Head over 16 issues/areas that include knowledge and skills, tools used, effectiveness of the annual risk assessment, quality of communications and the overall value to the Bank, among other measures. The other half will cover an assessment of the importance of each of the 16 issues/areas to the members of the Board Committee. The assessment will have the following degrees of performance.

Performance on Issue		Importance of Issue	
1	Needs Improvement	1	Low
2	Below Average	2	Below Average
3	Average	3	Average
4	Good	4	High
5	Excellent	5	Very High

The assessment process will start with the distribution of forms (Exhibit A) at the beginning of each year to the members of the Board Committee. The results will be consolidated and reported back to the Board Committee for discussion and confirmation in its subsequent meetings.

Factors of the Evaluation Process

There are specific factors that will be considered in the Annual Performance Evaluation. These are listed in detail on Exhibit B.
